CLUB CAPS

New players to the club who will be supplied with their own uniquely numbered Takapuna Cricket Club Cap. The number stays with you during your time playing the Friday Night Format.

The Cap Number allows the club to attribute your child's results to the right school and team. So regardless if your team is winning or losing every run scored, every run saved and every wicket taken has an impact on the overall school's performance.

- Individual stats will be published against each Cap Number on www.Kookaburracup.co.nz .
- Lost your cap: Replacements can be purchased for \$20. These come with a New number.

CLUB SHIRTS

Every player will be provided with a playing shirt. These will be made available prior to Muster.

TEAM MANAGER

Teams just need to appoint a single person who will contact the club if they are short a player. If your team has 7 players simply play with 7 children, the child who scores the lowest amount of runs simply bats again. If the other team has an extra player then teams may loan a player to the other team.
